

20 Years Changing Lives Together

.....

REAL LIFE CENTER
Real help. Real hope.

Your support matters!

Financial and in-kind contributions help meet the needs of people in our community such as Danica, a customer service account manager, who unexpectedly lost her job.

“ Even though my husband was working, there would only be about \$25 left over after we paid our bills. You just can't feed a family of five on \$25. The Real Life Center helped us keep food on the table when I didn't have any grocery money providing my family with several meals for the week.

It wasn't just food, it was laundry soap, toilet paper...it was everything.

I got another job but at first things were still pretty tight financially. The Real Life Center helped me with a utility bill. At the Real Life Center, I didn't feel like a number. You already feel kind of bad when you have to ask for help, that is just natural. I felt cared for when I walked in seeking help....I was welcomed with open arms. The volunteers made me feel good.

The Real Life Center has truly been one of the ways God has made provisions for my family.

”

-Danica

Since 1999, we have distributed
4.6 million pounds of food to families in need.

At the Real Life Center, families experience the love of Christ through the servant hearts of our volunteers. We share our faith, our hope, and our joy, profoundly changing lives.

“ Thank you, Real Life Center, for all of your help. Thanks as well for praying with me. Your generosity gives us hope that there are people who genuinely care about God's people without making them feel ashamed.

I can truly say that you all are doing the REAL work of Christ and give us hope that God does love us and that he has placed HIS people in our path. ”

"The Real Life Center helps people to not lose sense of who they are, who they want to be, and who they are *created* to be." - Jeff Warlick, RLC supporter

What a beautiful gift it is to see lives changed in our local community through the Real Life Center. Every life that is touched is not simply a statistic, but a real neighbor with a real face, a real name and a real story. Life can be hard and we need each other. It makes so much sense when Jesus says to love your neighbor because it is tough to make it on your own!

I cannot begin to thank you for your support over the past 20 years! Whether it is financial, the gift of time, donating items, or praying for us, we are so incredibly grateful. As we grow, we need your continued help and support. Every gift you share truly makes a difference in the lives of our neighbors.

**Since 1999, we have
offered over 78,600
service visits to
families in need.**

I am looking forward to you joining us in 2020 as we offer real help and real hope for real lives, *together!*
